White Rock Advances to Second Plac: - Wakefield Shut Out-Firemen Interested in Erockton Muster-Death of Thomas C. R. Ball.

The twenty-ninth annual meeting of the Rhode Island association of Sunday schools, of which ex-Governor George H. Utter of Westerly is president, will be held in the Matthewson street Methodist church, Providence, on Tuesday and Wednesday of the present week, and every Protestant Sunday school in Westerly will be represented.

Many members of the Westerly fire

Many members of the Westerly fire department are arranging to attend the muster at Brockton next Wednesday, and local interest is focussed on the May Cart of Pawtucket, which was formerly the Rhode Island Ones of Westerly. More than fifty hand engines will take part in the squirting contests and among the Rhode Island tubs entered are the Hydraulion and King Philip of Bristol, Mechanic of Warren, Narragansett of Riverside, Geyser of East Providence, Watchemocket Volunteer of Central Falls, Arnold B, Chase of Albion, Tekcoszoow of Woonsocket, Gaspee of Providence, Fire King of Pawtucket, Star of Cranston, Enterprise of Arlington, Ocean of Knightsville, Aberdeen of Edgewood and Pocassett, also of Edgewood. There will be nineteen regular water prizes and several special prizes to be competed for, and it is expected that the muster will be the largest ever held in New England. argest ever held in New England.

For financial reasons the Stonington and White Rock teams of the league known as the Rhode Island-Connectiwhich are competing for second e, played the baseball game in Westerly Saturday afternoon, the local pennant winner team having left for Wakefield to play the next to the last game with the team of that place. Stonington and White Rock started in tied for second place and White Rock won, thus paking second place with one game to the good and one more to play with Stonington next Saturday, when the league season closes. Stonington looked like a winner with a scere of 3 to 1 up to the eighth inning in a very Narrow Fabric company and is assistlooked like a winner with a score of 3 to 1 up to the eighth inning in a very well played game, but in that inning the White Rocks did some timely hitting and made four runs, taking the lead by a run. In the ninth inning Stonington falled to tally and the game went to White Rock. Considering the chilly weather, there was a good attendance at the game.

> Faith. Men hold theories regarding the resurrection of the Son of God and so do not "know the power of his resurrection" (Phil. 3: 10); and they are uncertain regarding man, deriving him from dust, rather than mind, and so are insecure regarding immortality How reassuring and comforting, then, is the message of Christian Science, coming to restore to men true faith in God, faith in the risen Christ, faith in

nduring life. The universal practical effect of Christian Science is to revive the faith and quicken the understanding of mankind; but it goes further in also quickguing that kind of love whereby man expresses to his neighbor the likeness of God. Since Christ Jesus healed the sick and cast out evils, so of his followers must it be said that the works he did they do also. When Mrs. Eddy associated her students for organized effort she recognized this purpose and organized a church "designed to commemorate the word and works of our Master, which should reinstate primitive Christianity and its lost element of healing." Her elucidation of good, and her teaching, both by precept and example, of the science whereby evil of every kind is overcome by good, piace the leader of the Christian Science movement in the forefront of Christian teachers. Her selfless consecration enabled her to disgover divine Science and for love for imments impelled her Love.

Cleaning this and scrubbing that, by the old-fashioned muscle method, steals at least one-tenth of your life. Why not let the Gold Dust Twins relieve you of all the "effort end" of your work?

Gold Dust and water will clean anything cleanable—will perform cleansing miracles. A strong solution will cut the thickest grease from floors, stoves, pots, pans, sinks, etc. With a mild solution, you can take all the hard work out of washday. Most people use too much Gold Dust, so we advise following directions given on each package, in order to prevent waste. Gold Dust is the most economical cleanser in the world, and will do more work and better work in less time than any other cleansing product. Try it for your own satisfaction and home-comfort!

Do not use Soap, Naphtha, Borax, Soda, Ammonia or Kerosene with Gold Dust. Gold Dust has all desirable cleansing qualities in a perfectly harmless and lasting form. The Gold Dust Twins need no outside help.
